

The role of the health sector in the Strategic Approach to International Chemicals Management towards the 2020 goal and beyond

The Seventy-fourth World Health Assembly, having considered the report on the role of the health sector in the Strategic Approach to International Chemicals Management towards the 2020 goal and beyond,¹

Decided to request the Director-General to report to the Seventy-sixth World Health Assembly in 2023 on progress made in implementing the road map, as well as on actions undertaken by the Secretariat to update the road map in the light of the outcome of the intersessional process to prepare recommendations regarding the Strategic Approach and the sound management of chemicals and waste beyond 2020.
