FEDERAL DEPOSIT INSURANCE CORPORATION

Pursuant to the provisions of the "Government in the Sunshine Act" (5 U.S.C. 552b), notice is hereby given that at 5:43 p.m. on Friday, July 25, 1986, the Board of Directors of the Federal Deposit Insurance Corporation met in closed session, by telephone conference call, to:

(A) Adopt a resolution: (1) Making funds available for the payment of insured deposits made in The Bank of Park County, Bailey, Colorado, which was closed by the State Bank Commissioner for the State of Colorado on Friday, July 25, 1986; and (2) appointing Bank of Mountain Valley, National Association, Conifer, Colorado, a newly-chartered national bank subsidiary of Mountain Parks Financial Corporation, Minneapolis, Minnesota, as the transfer agent for the Corporation for the payment of insured and fully secured or preferred deposits of the closed bank; and

(B)(1) Received bids for the purchase of certain assets of and the assumption of the liability to pay deposits made in Mountain Valley Bank, Conifer, Colorado, which was closed by the State Bank Commissioner for the State of Colorado on Friday, July 25, 1986; (2) accept the bid for the transaction submitted by Bank of Mountain Valley, National Association, Conifer, Colorado, a newly-chartered national bank subsidiary of Mountain Parks Financial Corporation, Minneapolis, Minnesota; and (3) provide such financial assistance, pursuant to section 13(c)(2) of the Federal Deposit Insurance Act (12 U.S.C. 1823(c)(2)), as was necessary to facilitate the purchase and assumption transaction.

In calling the meeting, the Board determined, on motion of Director C.C. Hope, Jr. (Appointive), concurred in by Mr. Robert J. Herrmann, acting in the place and stead of Director Robert L. Clarke (Comptroller of the Currency),

that Corporation business required its consideration of the matters on less than seven days' notice to the public; that no earlier notice of the meeting was practicable; that the public interest did not require consideration of the matters in a meeting open to public observation; and that the matters could be considered in a closed meeting pursuant to subsections (c)(8), (c)(9)(A)(ii), and (c)(9)(B) of the "Government in the Sunshine Act" (5 U.S.C. 552b(c)(8), (c)(9)(A)(ii), and (c)(9)(B)).

Federal Acquisition Regulation

AGENCIES: Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: Federal Acquisition Circular (FAC) 84-19 amends the Federal Acquisition Regulation (FAR) with respect to the following: Small Business Size Standards, Small Business Administration (SBA) Certificate of Competency, and Travel Costs.

EFFECTIVE DATES: July 31, 1986, except for the provisions in section 19.102, which become effective August 8, 1986.

FOR FURTHER INFORMATION CONTACT: Margaret A. Willis, FAR Secretariat, Room 4041, GS Building, Washington, DC 20405, Telephone (202) 523-4755.

SUPPLEMENTARY INFORMATION:

A. Background

FAC 84-19, Item III. The revised coverage to FAR 31.109 and 31.205-46(a) is intended to comply with Title II, section 201 of the Federal Civilian Employee and Contractor Travel Expense Act of 1985 (Pub. L. 99-234). The Act specifies, "... costs incurred by contractor personnel for travel, including costs of lodging, other subsistence, and incidental expenses, shall be considered to be reasonable and allowable only to the extent that they do not exceed the rates and amounts set by subchapter I of Title 5, United States Code, or by the Administrator of General Services or the President (or his designee) pursuant to any provision of such subchapter." The new rule provides that costs for lodging, meals, and incidental expenses incurred by contractor personnel shall be considered to be reasonable and allowable to the extent they do not exceed on a daily basis the per diem rates set forth in the (1) Federal Travel Regulations, (2) Joint Travel Regulations, or (3) Standardized Regulations. Additionally, the new rule provides for situations where actual costs in excess of the specified per diem limits may be allowable. Minor changes to the proposed rule have been incorporated into this final rule in order to

accommodate comments received. This revised cost principle is applicable to all contracts resulting from solicitations issued on or after July 31, 1986.

B. Public Comments

FAC 84-19, Items 1 and II. Public comments have not been solicited with respect to these revisions in FAC 84-19 since such revisions either (a) do not alter the substantive meaning of any coverage in the FAR having a significant impact on contractors or offerors, or (b) do not have a significant effect beyond agency internal operating procedures.

FAC 84-19, Item III. A notice of proposed rule was published in the *Federal Register* on May 30, 1986 (51 FR 19690). The Defense Acquisition Regulatory Council and the Civilian Agency Acquisition Council have considered the public comments solicited.

C. Paperwork Reduction Act

FAC 84-19, Items I and II. The Paperwork Reduction Act does not apply because these final rules do not contain information collection requirements which require the approval of OMB under 44 U.S.C. 3501, et seq.

FAC 84-19, Item III. The information collection requirements in this rule have been approved by the Office of Management and Budget as required by 44 U.S.C. 3501, et seq., and have been assigned clearance number 9000-0088 (see FAR 1.105).

D. Regulatory Flexibility Act

FAC 84-19, Items I and II. These final rules are not "significant revisions" requiring solicitation of public comment, as defined in FAR 1.501-1 and by the Regulatory Flexibility Act. Since such solicitation is not required, the Regulatory Flexibility Act does not apply.

FAC 84-19, Item III. These revisions will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601, et seq.) because most supplies and services obtained from small entities are acquired on a competitive fixed-price basis and the cost principles do not apply. For the remainder of the supplies and services that are obtained from small entities, the cost principles are primarily used to establish negotiation objectives. Moreover, the proposed coverage merely implements Pub. L. 99-234, which requires comparable treatment of the costs of lodging, meals, and incidental expenses for contractors and Government employees.

Dated: July 25, 1986.

Acting Director, Office of Federal Acquisition and Regulatory Policy.

Federal Acquisition Circular

[Number 84-19]

Except for the provisions in section 19.102, which become effective August 8, 1986, all Federal Acquisition Regulation (FAR) and other directive material contained in FAC 84-19 is effective July 31, 1986.

Eleanor Spector,

Deputy Assistant Secretary of Defense for Procurement.

T.C. Golden,

Administrator of General Services.

S. J. Evans,

Assistant Administrator for Procurement.

Federal Acquisition Circular (FAC) 84-19 amends the Federal Acquisition Regulation (FAR) as specified below.

Item I—Small Business Size Standards

The table of industry size standards in FAR 19.102 is revised to reflect amended size standards for engineering, architectural, and surveying services. These revised size standards are effective August 8, 1986.

Item II—SBA Certificate of Competency

FAR 19.601-1 is revised to require that all determinations that responsive small businesses lack certain elements of responsibility, shall be referred to SBA under the Certificate of Competency (COC) program. This revision reflects the requirements of Pub. L. 98-577 and current SBA rules. FAR 9.106-1, 13.104(h), and 19.602-1 are also revised in conjunction with this change.

Item III—Travel Costs

FAR 31-109(h)(8) and 31.205-46(a) are amended to implement the requirements of Title II, section 201 of the Federal Civilian Employee and Contractor Travel Expense Act of 1985 (Pub. L. 99-234). The Act specifies, "... costs incurred by contractor personnel for travel, including costs of lodging, other subsistence, and incidental expenses, shall be considered to be reasonable and allowable only to the extent that they do not exceed the rates and amounts set by subchapter I of Chapter 57 of Title 5, United States Code, or by the Administrator of General Services or the President (or his designee) pursuant to any revision of such subchapter."

The revised cost principle coverage provides that costs for lodging, meals, and incidental expenses incurred by contractor personnel shall be considered to be reasonable and allowable to the extent that they do not exceed on a daily basis the per diem rates set forth in the (1) Federal Travel Regulations, (2) Joint Travel Regulations, or (3) Standardized Regulations. Additionally, the revised rule provides for situations where contractors may be reimbursed for actual costs in excess of the per diem limits, as authorized for Federal civilian employees.

This revised cost principle is applicable to all contracts resulting from solicitations issued on or after July 31, 1986. Therefore, 48 CFR Parts 9, 13, 19, and 31 are amended as set forth below.

1. The authority citation for 48 CFR Parts 9, 13, 19, and 31 continues to read as follows:

Authority: 40 U.S.C. 486(c); 10 U.S.C. Chapter 137; and 42 U.S.C. 2453(c).

2. Section 9.106-1 is amended in paragraph (a)(2) by inserting a period following the word "cost", and deleting the remainder of the sentence.
