

# TENTATIVE PROGRAM 2020

14<sup>th</sup> International Conference on

GENOMICS & PHARMACOGENOMICS

September 21-22, 2020

Vancouver, Canada

Day 1 - September 21, 2020	
Opening Ceremony	
Plenary & Keynote Speeches (09:00-11:30)	
Networking and Refreshments Break	
Speaker Session I (11:30-13:00)	Next Generation Sequencing   Cancer Genomics   Functional Genomics   Structural Genomics
	Panel Discussion
Lunch Break	
Speaker Session II (13:00-16:00)	Pharmacogenomics   Clinical Genomics   Epigenomics and Epigenetics   Genetic Disorders
	Panel Discussion
Networking and Refreshments Break	
Speaker Session III (16:00-18:00)	Comparative Genomics   Animal Genetics and Genomics   Plant Genomics and Molecular Pharming   Gene Editing and Genetic Engineering
	Panel Discussion
Day 1 concludes...	
Day 2 - September 22, 2020	
Opening Ceremony	
Plenary & Keynote Speeches (09:00-11:30)	
Networking and Refreshments Break	
Speaker Session I (11:30-13:00)	Genomic Instability   Genomic Medicine   Microbial Genomics   Trends in Genomics and Pharmacogenomics
	Panel Discussion
Lunch Break	
Speaker Session II (13:00-16:00)	Biomarkers and Microarrays   Nutrigenomics   Personalized and Regenerative Medicine   Bioinformatics and Computational Biology
	Panel Discussion
Networking and Refreshments Break	
Speaker Session III (16:00-18:00)	Poster Presentations
	Best Poster Award Distribution
Day 2 concludes...	

## Plan Your Trip @ Vancouver, Canada
