

DUPLO Put-together toys.

duplo

DUPLO is the new name for

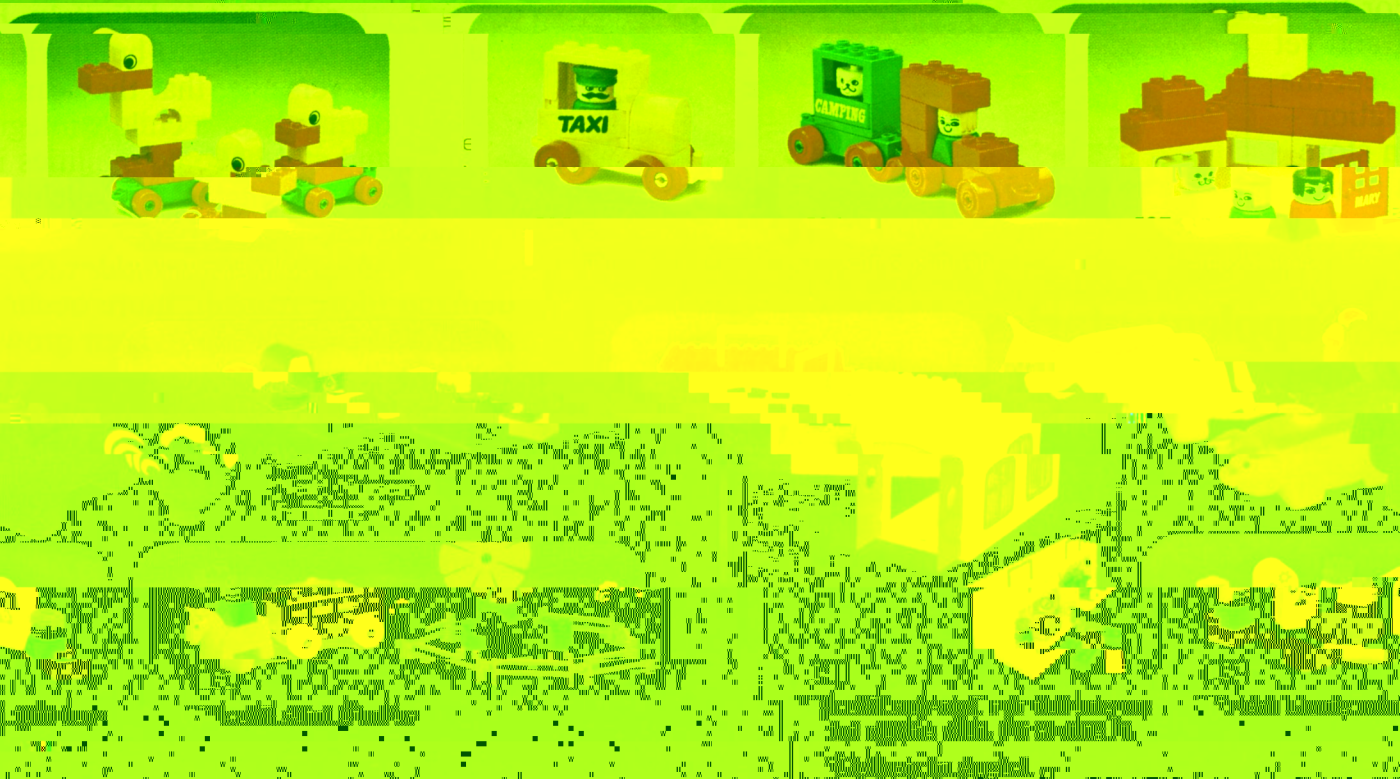

With DUPLO toys children from 1 to 5 years can learn to use their hands and imagination. The new animals are fun to play with and can be clipped onto other pieces. The new Play Box can be used both for building and for the storage of pieces.

children reports to spend, day after
"day," year after year.

why? because children are
doing something for themselves.
Their imagination is put to work.

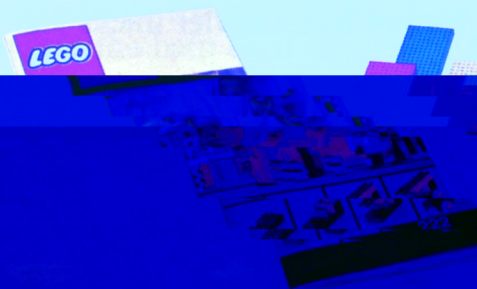

Basic Sets are the best start for a LEGO collection. The selection of bricks is so varied that the imagination is given free rein. And on the outside of the boxes there are ideas for many models to inspire the imagination, and each model can be built from the contents of the set.

205

People set, 4 figures with many possibilities

The LEGO Building Book contains

LEGO Advanced Basic Sets. From 6 years

Older children demand more realism and enjoy using their growing skills. These 3 boxes meet these demands. The large and varied number of pieces make it possible to build really exciting models. There are building instructions in the boxes – and a motor in Set 912.

LEGO Advanced Basic Sets are designed for children aged 6 and over. They contain a large number of pieces, including a motor in Set 912, which allows for the construction of more complex and realistic models. The sets include detailed building instructions to guide the child through the construction process.

New wonderland for children from 3 to 7 years

'A new mini-world.' Easy to build and fun to play with. The new **FABULAND** animals set the imagination going. The simple building instructions in the large boxes are written like stories, which the children "read" while building.

And the building is ready to play with.

The large FABULAND pieces make building quick and easy

LEGO LAND® grows and grows

Now there are 3 exciting play ideas to collect and
build the LEGO LAND series, space, airport and castle.

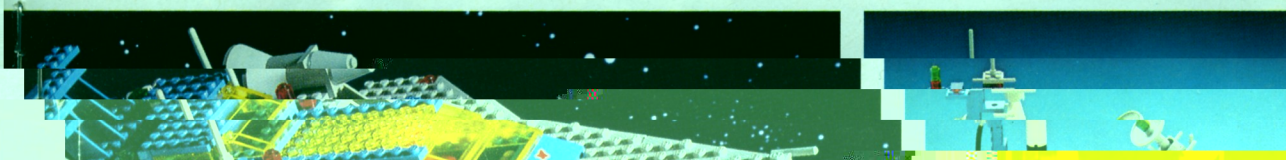

0928

*New! Space cruiser and moonbase

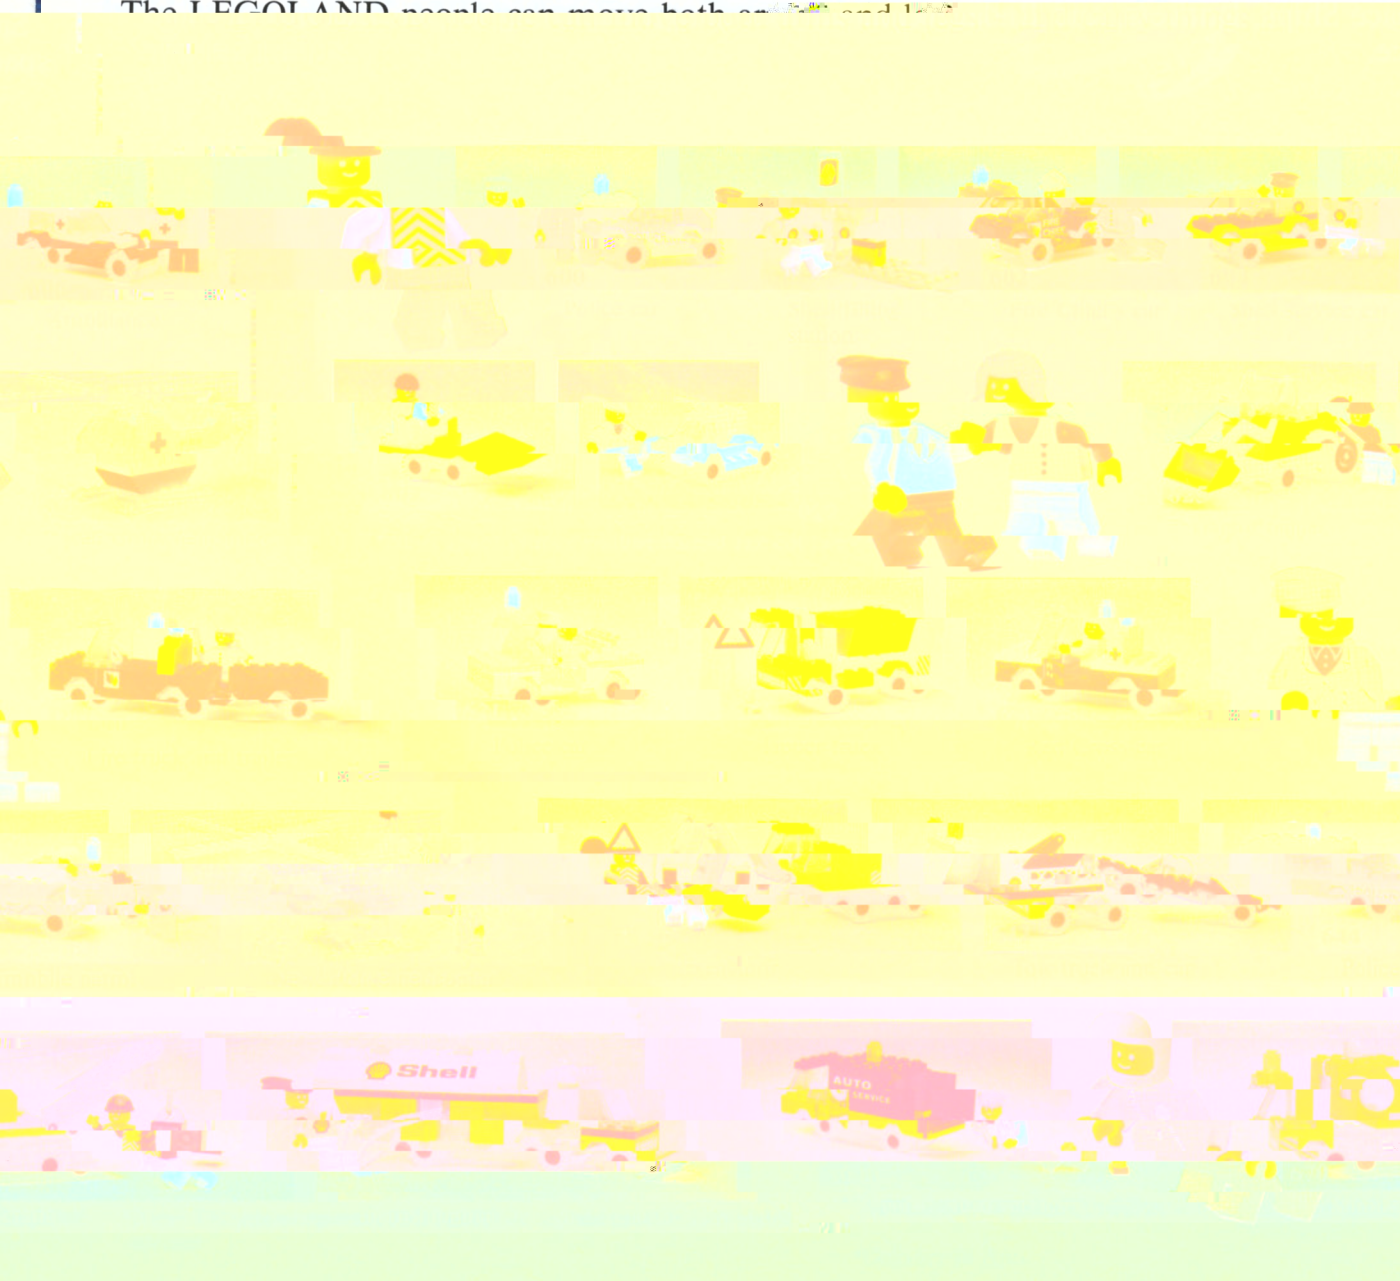

LEGO AND Space

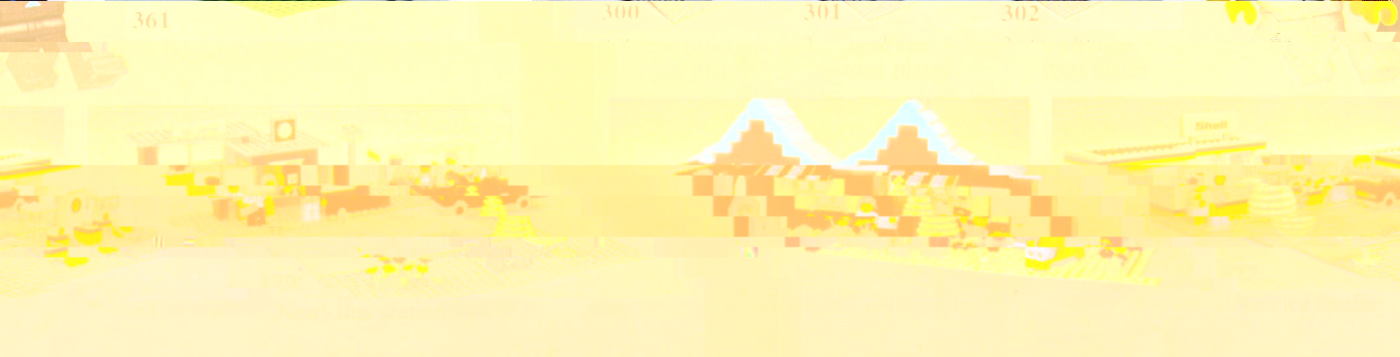

You can build your own planet with the new baseplates. And with the Space Bimps, Rockets, and Radar Vehicles, you can go exploring far, far out in space.

LEGO LAND Town

Build a town with proper roads, houses, and cars.
The LEGO LAND people can move both on **land** and **water**.

Castle

New! Medieval knights

LEGO® TRAINS

The LEGO train is the 'only train' which you can build - and rebuild. You can start with a push along train and build in the LEGO Motor later, or you can begin with a complete battery operated train set. There are building instructions in all the boxes.

to the value of

LEGO Spares Service

This service is to help you if you lose a special part or want an extra one without wishing to buy a complete set. There are so many components in the LEGO range that we cannot offer them all but here is a selection of the ones you are most likely to want.

Please note that this service applies only to items shown. We regret we cannot supply complete sets. These can only be purchased from toy retailers in the normal way. But if you need pieces not shown here, please write to us and we will help if we can.

The Spares Service applies to U.K. and Ireland only. The price is inclusive of postage and packing for 10p, and in return every effort will be made to hold these prices we reserve the right to change them should circumstances demand it...

Please use the special order form overleaf.

I like to join The LEGO Builders Club!

Many children have asked us about a LEGO Club. So we've decided to start one *if* you can join right now.

For a membership fee of £1 per year for each member, you receive a fine badge and membership card, stickers and a 3 dimensional sew-on badge for your T-shirt or jeans. There will be 2 Club newsletters a year. You'll have hot news about new LEGO sets, ideas for models to build and pictures of Club members.

We also have special plans for 1 LEGO person with several additional benefits: read days with special money, money for LEGO bricks and 20 postage stamps for £1.00. Members only.

or a small amount of change - or just mail us at both suggestions of gift and send it with you.

Please Note: Club mailings can only be posted to addresses in Great Britain and the Irish Republic.

LEGO LTD, P.O. Box 2, Liverpool, L4 8UR.
