LEGO Basic Sets for Children from 3 years

The Basic Sets are the best way to start LEGO play. The assortment of bricks is suited to the children's age and can be

used in many

ways to encourage imagination. From a few simple bricks, children can work on, without any need for instructions. And there is inspiration for new

LEGO Spares Service

If you have a special request, want an extra one without the hassle of waiting for a complete set, or

cannot afford them all but here is a selection of the ones you

are most likely to want.

Please note that we cannot supply complete LEGO sets. www.lego.com is preferred from toy stores in the normal way. But if you particularly need a component that's out of here, write to us and we will help if we can.

The spares service applies to U.K. and Ireland only. Prices include postage and packaging, 1980 only.

Like to join the LEGO Builders Club?

Many thousands of children are already members and you can join too.

A membership fee of £1. for each child gives membership for 12 months from the date of joining. By return you will get a

members pack consisting of a handsome badge, certificate, satchel stickers and a sew-on badge for your jeans or T-shirt.

After that you receive 3 Club

newsletters during the 12 months.

These give hot news about new sets, ideas for models and pictures of Club members' own models. There are competitions for LEGO set prizes and Master Builder Awards (yes, girls can be

members too). There are also special offers and there are special offers

from time to time exclusive

to members.

If your mum or dad agrees, why not fill in this Registration Slip

and send it with your £1.00 membership fee right away.

Please Note: Club members can be posted to addresses in U.K. and Ireland only.
