the appropriation of the sum of ten thousand dollars per annum for two years out of the general revenue, by the act approved first of April, 1881, which amount the contractor is required by the contract to refund to the treasury, in pursuance to the law. Of this amount there still remains on hand in the treasury unexpended the sum of

one connected and comprehensive plan embracing all of those buildings, when needed, than if it is attempted efficiently for each one singly. If this should now be undertaken, only such appropriation need be made as will start and carry on the work on a plan that can be completed at such times as the wants of each of said

same to Texas. On reaching Washington I found that Major Dinkins labored under a misapprehension as to the manner in which fish were distributed by the United States Fish Commission. His im-pression was that all the fish intended for applicants in Texas would be delivered to him by the United States Fish Commission,

las for the safe keeping of the fifteen hundred carp, and one hun-dred Japanese gold fish that had been purchased by order of Major Dinkins. The facts and circumstances were reported to your Ex-cellency, who, on December 27, 1881, appointed me Fish Commis-cioner sioner.
