Subject: Medical Loss Ratio Training Information for the 2022 MLR Reporting Year

This notice provides information about upcoming training sessions for the submission process of Medical Loss Ratio (MLR) data for the 2022 MLR reporting year using the MLR Annual Reporting Form. Similar to 2011-2021 MLR reporting years, issuers will use the MLR module of the Health Insurance Oversight System (HIOS) to submit the 2022 MLR Annual Reporting Form.

Please note that the HIOS MLR registration and issuer confirmation period for new and existing issuers begins on June 23, 2023. Registration must be completed prior to the actual submission of MLR data, so we encourage issuers who will be using the HIOS MLR module for the first time in 2023 to register during the month of June. We also encourage those issuers who have used the HIOS MLR module in previous years to verify in June that the information regarding their registered users and their associated states is up-to-date. The deadline to submit the 2022 MLR Annual Reporting Form is July 31, 2023.

MLR HIOS Training Webinar:

CCIIO/CMS will host a one-hour training webinar to review the registration process and the HIOS MLR module. The webinar will be presented on Thursday, June 1, 2023 at 2:00 pm (EDT). Although we have reserved 90 minutes for this webinar, so as to allow for issuers' questions at the end, the webinar has generally taken approximately 60 minutes.

Issuers should use the following call and link information to access the webinar:
