

# Three Advent Hymns

By Caroline Lesemann-Elliott

*Composed for purpose  
of Marian celebration*

# I. Hymn to the Virgin

Of one who is so fair and bright,  
*Velut Maris stella,*

Brighter than the day is light,  
*Parens et puella.*

I cry to thee, thou see to me.

Lady, pray thy Son for me,  
*Tam Pia,*

That I may come to thee.

*Maria!*

All this world was forlorn,

*Eva Peccatrice,*

Til' our Lord was yborn,

*De te genetrice.*

With *ave* it went away,

Darkest night and comes the day

*Salutis;*

The well springeth out of thee.

*Virtutis.*

Lady, flow'r of everything,

*Rosa sine spina,*

Thou bare Jesu, heaven's king,

*Gratia divina:*

Of all thou bearest the prize,

Lady, queen of paradise,

*Electa:*

Maid mild, mother

*es effecta.*

## II. Ave Regina Caelorum

Ave, Regina Caelorum,  
 Ave, Domina Angelorum:  
 Salve, radix, salve, porta  
 Ex qua mundo lux est orta:  
 Gaude, Virgo gloriosa,  
 Super omnes speciosa,  
 Vale, o valde decora,  
 Et pro nobis Christum exora.  
 Dignare me laudare te, Virgo sacrata.  
 Da mihi virtutem contra hostes tuos.

**Text by Anonymous (likely 12th century monastic origin)**

## III. Gabriel's Message

The angel Gabriel from Heaven came  
 His wings as drifted snow, his eyes as flame;  
 "All hail", said he, "Thou lowly maiden Mary,"  
 Most highly favoured lady, Gloria! "  
 For known a blessed Mother thou shalt be,  
 All generations laud and honour thee,  
 Thy Son shall be Emmanuel, by seers foretold,  
 Most highly favoured lady," Gloria!  
 Then gentle Mary meekly bowed her head,  
 "To me be as it pleaseth God," she said,  
 "My soul shall laud and magnify his holy name,"  
 Most highly favoured lady, Gloria!

**Basque Carol, Text collected by Charles Bourdes and translated and paraphrased by Sabine Garing-Gould**

## 4 Conductor's Notes

### *Hymn to the Virgin*

- Singers should maintain a clear, vibrato-less tone
- Compound time signatures should have more movement than simple time
- The "Maestoso" section should not involve much of a tempo change, but should involve a broadening of notes (especially quavers)
- Ensure all vowels arrive on the down beat (anticipate consonants)

### *Ave Regina Caelorum*

- All moving quavers should be brought out
- Singers should aim to sing in 17th century polyphonic style in terms of phrasing
- Tempi are flexible

### *Gabriel's Message*

- In the beginning, sopranos should be as light as possible on high notes (ethereal)
- Altos are encouraged to colour the tune with chest voice
- Basses should be light
- Ensure suspensions in tenor and alto lines speak
- No break in the alto line from "gloria" into the "ah" at the key change
- From the key change, basses and tenors must phrase away on all their "Gloria"s
- Ensure the "gl" comes before the down beat

**Ideally, the works would be performed  
without break one after another.**

**They work in tonally and textually side by side.**
