Al - le - lu - i - a, al - le - lu - i - a, al - le - lu - i -

* All performance indications are editorial:

NB: The pronunciation and underlay of the word 'Alleluia' is, in many cases debatable. But Weelkes's use of repeated notes often seems to indicate that the pronunciation should be 'Al-le-lu-i-a' in most places. This, however is a discussion point at the very least!
