

How to find a publisher's contact information

You can find the contact information for a journal's publisher on the 'About the journal' page.

- (1) Click on 'Browse' in the header and select 'All titles' or 'All publishers'.

- (2) Enter the name or select the button corresponding to the first letter of the title or publisher's name.

- (3) Select the title to access its homepage.

- (4) Click on 'About the journal' tab. The publisher's contact information is provided under 'Other relevant information'.
