Recommendation

Dear Librarian,

I would like to recommend subscription to the following publication(s):

International Journal of Molecular Medicine

International Journal of Oncology

Molecular Medicine Reports

Oncology Reports

Experimental and Therapeutic Medicine

Oncology Letters

Biomedical Reports

Molecular and Clinical Oncology

Select all

Reasons for Recommendation

Reference: I require full access to these publications as they include new research studies related to my research field/project.

Academic referral: I wish to refer to content of these publications in academic teaching.

Personal connection: I have submitted/intend to submit a paper to these publications.

Recommendation: The content of these publications will enhance the library's collection.

Additional Comments

Submission of this form allows Spandidos Publications to contact your institution regarding this recommendation. If you do not want Spandidos Publications to contact your institution, this form can be printed and submitted to your librarian.
