

PRESIDENT OF THE GENERAL ASSEMBLY

18 September 2024

Excellency,

I have the honour to refer to the opening segment of the Summit of the Future scheduled for 22 September 2024 at 9 a.m. in the General Assembly Hall.

In this regard, I would like to inform that at 8:30 a.m., immediately before the opening segment, there will be a short video played in the GA Hall summarizing the Summit of the Future Action Days, held on the previous two days, followed by a performance by renowned singer Renée Fleming, who will perform two songs from her Grammy winning album “Voice of Nature: The Anthropocene” accompanied by a video produced by National Geographic.

I urge all delegations to be in their seats in the GA Hall by 8:30 a.m. to enjoy this special performance. The performance will end by 8:50 a.m.

Please accept, Excellency, the assurances of my highest consideration.
